FYI- Attached at the bottom is the draft explanatory language that is supposed to go with the data tonight. I've reviewed and am ok with this. I expect OSWER/EOC to approve very shortly.

Here is the data summary review for the Region 8 data. David O and Martin H are

asking that Region 6 and 9 not be included in this particular version. It needs to be reviewed by the Durango sheriff before it goes out. So, I need your review on this part before it goes to him.
